

program outline

Pitch Consulting

Objective:

To assist organisations design and deliver more effective pitch presentations

Content/outcomes:

- To advise and assist with the structure and flow of any pitch presentation
- To help focus on key messages which address the specific audience's requirements
- To help with tone and feel of the presentation
- To assist each individual speaker with their own presentation skills in both delivery of their message and the handling of questions
- To manage efficient rehearsals to ensure the presentation on the day is seamless and focussed on the expected outcomes

We customise and tailor to your specific requirements. For more information please call us on 9844 2999 or e-mail talkforce@talkforce.com.au.
